Addis Ababa
Ethiopia

25 August 2008

Dear Minister,

Ethiopian IHP+ Compact

I understand that the Ethiopian Compact is being signed in Addis Ababa on 26 August, 2008.

Congratulations on this important milestone.

As you know, the GAVI Alliance has been an active supporter and advocate of the International Health Partnership (IHP) initiative since I joined you in signing the Global Compact in London last September. The GAVI Alliance is firmly committed to the principles of IHP and to ensuring that our practices meet these principles. We look forward to working with your Government, the development partners and national stakeholders to advance the International Health Partnership principles in Ethiopia.

Please convey my congratulations to your staff and the representatives of development partners and national stakeholders.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Julian Lob-Levyt".
