### **Speaking with one voice, Stronger together**

**7 – 8 December 2015 – Montreux meeting on Harmonisation**

**We, representatives from international development agencies, partnerships and global and local civil society organizations, gathered to work on improving harmonization and alignment of advocacy around health and community systems strengthening for universal health coverage (UHC) and the Sustainable Development health targets at the country levels.**

**Together, we call for urgent action towards better harmonization and alignment of advocacy and agree to develop a plan of action to be implemented at the country, regional and global levels.**

**We commit to meet again during the upcoming 2016 World Health Assembly to assess progress on the plan of action and continue to move forward on this, our common agenda.**

**We invite all agencies and organizations to join with us in this ambitious undertaking.**
