

ACCELERATING PROGRESS TOWARDS THE HEALTH-RELATED SDGs: Solutions for an equitable and resilient recovery

Virtual side event hosted by
The World Health Organization & UHC2030
*Supported by the Group of Friends of UHC and Global Health &
the Coalition of Partnerships for UHC and Global Health*

This workshop aims to increase awareness of global and national UHC targets and encourage use of the VNR platform as a national accountability mechanism for the commitments made in the Political Declaration on Universal Health Coverage.

As a platform for knowledge sharing, partners will share guidance, tools and resources, as well as highlight best practices among countries, to strengthen evidence-based reporting on universal health coverage and SDG3.
