

UHC Action Agenda - Tweet Sheet

#UHCHLM

#HealthForAll

Action Agenda

Use the #UHC Action Agenda to call on world leaders to reinvigorate progress towards #HealthForAll. Urgent action is needed now! #UHCHLM

The #UHC Action Agenda, with action-oriented policy recommendations and concrete milestones, will inform the UHC political declaration and can reinvigorate progress towards #HealthForAll. #UHCHLM

Action Agenda 8 Commitment Areas

World leaders must champion #universalhealthcoverage. #UHC is important to their societies and economies. #UHCHLM #HealthForAll

World leaders must leave no one behind. Health is a fundamental right of every human being, and it is the duty of governments to protect, promote and fulfill the right to health. #UHCHLM #HealthForAll

World leaders should adopt enabling laws and regulations. Policies, laws, and regulations that integrate #universalhealthcoverage and #healthsecurity will strengthen future economic and social resilience. #UHCHLM #HealthForAll

World leaders must strengthen the health and care workforce to deliver quality health care. In all situations, women play a prominent role, delivering most frontline essential health and care services. #UHCHLM #HealthForAll

World leaders need to invest more, and invest better #universalhealthcoverage based on #primaryhealthcare is an important foundation for healthy people, societies, and economies and makes countries more resilient in health emergencies. #UHCHLM #HealthForAll

World leaders must involve everyone meaningfully in decision making for health and commit to inclusive governance & accountability. #UHCHLM #HealthForAll

World leaders must guarantee #genderequality. Gender equality, including equal rights and equal access to services, are critical to achieving #universalhealthcoverage and leaving no one behind. #UHCHLM #HealthForAll

World leaders should connect #universalhealthcoverage and #healthsecurity Universal health coverage and global health security are two intertwined goals anchored in #healthsystems in every country. #UHCHLM #HealthForAll

Core messages

Taking action for universal health coverage

In 2023, world leaders have a unique opportunity to reinvigorate progress towards #HealthForAll. #Universalhealthcoverage means that all people have access to the quality health services they need, when & where they need them, without risk of financial hardship. #UHCHLM

The means to achieve #universalhealthcoverage and #healthsecurity is strengthening #healthsystems. The most inclusive, equitable & cost-effective approach is #primaryhealthcare. #UHCHLM #HealthForAll

COVID-19 highlighted the need to build #universalhealthcoverage for times of crisis and calm, making clear that #UHC and global #healthsecurity are two intertwined goals. Urgent action is needed now to make UHC a reality for everyone, everywhere. #UHCHLM #HealthForAll
