Coalition of Partnerships for UHC and Global Health

For greater collaboration and harmonization, the Coalition’s common goal is to align advocacy and accountability efforts to achieve UHC and advance the SDGs. Coalition works together to assist Member States and other stakeholders in:

- Accelerating high-level political efforts around socio-political accountability based on country-led, evidence-based progress reviews
- Supporting coordination among the various existing health initiatives and joint follow-up actions of UN HLMs on health
- Strengthening existing SDG accountability mechanisms (e.g. HLPF VNRs)
