## Activity: Adapting the 20 questions to UHC

- Participants will be handed a physical or virtual copy of the 20 questions produced by IBP Kenya.
- The participants will be divided into groups such as by country.
- They will review the tool and identify 5-10 questions that they consider particularly relevant for UHC-related budget analysis.
- In the group, they will propose how the 5-10 questions could be adapted to UHC-related questions
- The proposed questions will be shared in plenary, which will choose 5 to investigate during the workshop and/or as a homework after the workshop.
