

End extreme poverty and share prosperity through achieving UHC by 2030

HIGH-LEVEL POLITICAL FORUM ON SUSTAINABLE DEVELOPMENT

Please join a high-level event on universal health coverage (UHC). This event will emphasize the importance of country-led health system strengthening as a key driver to achieve SDG3 by 2030. Aligned with the theme of the HLPF2017, this event will demonstrate examples of UHC as a key contributing factor to SDG1 and SDG8.

The discussion will centre on two key themes:

1. UHC as a key driver to achieve healthy lives for all
2. Resource needs for attaining health related SDGs
