*A High-Level Discussion at the United Nations on
Achieving the SDGs Through Health for All*

Co-hosted by the Governments of Japan, Senegal, United Kingdom, South Africa, Thailand, France, and Germany; and WHO; World Bank Group; UNICEF; UNDP; UHC2030; The Rockefeller Foundation; UHC Coalition; and The Partnership for Maternal, Child & Newborn Health

18 SEPTEMBER 2017

4.30 – 6.00 PM

Conference Room 3 | UN Headquarters, New York

Universal health coverage (UHC) is the key driver to achieving the sustainable development agenda and to safeguarding global health security.

UHC is based on the premise that health is a human right, and is the best investment for ensuring everyone receives the health services they need, when and where they need them.

Today's event will examine how countries are moving forward toward universal health coverage, and underscore UN agencies' commitment to supporting countries achieve health for all.
