2016 IHP+ MONITORING ROUND
National performance review

HOW TO READ THE COUNTRY PROFILE
All data presented on this visual aid are self-reported by the Ministry of Health and Sports (MoHS), development partners (12 DPs out of 17 participated), civil society organisations (15 CSOs participated) and private sector representatives (0 PS participated) supporting the health sector. All data provided by DPs, CSOs and PS have in principle been validated by MoHS.

The 8 Effective Development Cooperation (EDC) practices in health are captured in 4 commitments. The first three commitments present the performance of the government and DPs against 6 EDC practices. The last commitment also includes the opinion of the CSOs and PS on the EDC practices relevant to their engagement.

For more detailed and disaggregated information on the data presented please visit www.internationalhealthpartnership.net/myanmar.

COMMITMENT
TO ESTABLISH STRONG HEALTH SECTOR STRATEGIES WHICH ARE JOINTLY ASSESSED, AND STRENGTHEN ACCOUNTABILITY

Alignment of support against the Health Sector Strategy
100% of participating DPs confirm they align their support with the national (or sub-national/sector) Health Sector Strategy.

Was the national health sector plan jointly assessed?

Development of NHP (2016-2021) is in process. DPs align with national priorities. Joint assessment planned end 2016.

Stakeholders that supported the joint assessment

COMMITMENT
TO IMPROVE THE FINANCING, PREDICTABILITY AND FINANCIAL MANAGEMENT OF THE HEALTH SECTOR

A national M&E plan for the National Health Strategy exists?

2016 IHP+ MONITORING ROUND
National performance review

Mutual Accountability is Strengthened

A national M&E plan for the National Health Strategy exists?

17% of participating DPs only use national health sector indicators to monitor their support.

No National M&E system for health as yet. DPs are using agreed results framework and M&E system harmonized with the MOH.

-% of DP funds reported on budget

Only the World Bank IDA loan is on the national health budget. UNICEF contributions are included in MOF summary budget but not identified in the health budget.

**Commitment to Establish, Strengthen and Use Country Systems**

**Public Financial Management (PFM) Systems Are Strengthened and Used**
- Are PFM systems of sufficiently good quality?
  - 33% of participating DPs confirm that sufficient support on PFM systems strengthening and capacity building is in place.
  - Currently only WB uses the national PFM system. It needs to be strengthened so that DPs will feel confident to use it.

**Procurement and Supply Systems Are Strengthened and Used**
- A government plan for national procurement and supply exists?
  - 58% of participating DPs confirm that sufficient support on procurement or supply systems strengthening and capacity building is in place.
  - Department of Public Health is collaborating with DPs to strengthen the national procurement & supply system in 2016.

**Technical Support Is Coordinated and South-South Cooperation Supports Learning**
- An agreed national TA plan exists?
  - 0% of participating DPs provide TA in line with the national plan.
- Does the Ministry of Health benefit from south-south cooperation?
  - Sometimes 83% of participating DPs support South-South cooperation.

**Commitment to Create an Enabling Environment for Civil Society Organisations and Private Sector Participation in the Health Sector**

**Civil Society Organisations Engagement**
- What space does the government provide for CSOs to effectively participate in health sector policy, planning and monitoring? (Sources: Government qualitative survey and CSO online survey)
  - Government consults CSOs in the design, implementation or monitoring of national health policies
  - 67% of CSOs confirm they are consulted
  - Government provides financial resources
  - 0% of CSOs receive financial resources
  - Government provides training support
  - 20% of CSOs receive training support

- How effectively is the participation of CSOs in national health policy processes supported by development partners? (Sources: DP qualitative surveys and CSO online survey)
  - 100% of DPs consult CSOs when developing their cooperation programme
  - 64% of CSOs confirm they are consulted
  - 58% of DPs provide financial resources
  - 71% of CSOs receive financial resources
  - 58% of DPs provide technical assistance
  - 71% of CSOs receive technical assistance

**Private Sector Engagement**
- No consultations with the private sector in this monitoring round.
