- DP funds reported on budget
  - 2016 IHP+ DP average: 82%
  - Switzerland: 0%

**How to Read the Performance Profile**

All data presented on this visual aid are self-reported by the development partner (DP), or provided by the ministry of health (MoH), the civil society organizations (CSOs) and private sector (PS) representatives in the 3 countries for which the DP reported (see list of countries at the back). All data provided by government, CSOs and PS have in principle been validated by MoH. Where possible, trends in performance are documented over the last 2 monitoring rounds (2014 and 2016). For complementary information such as the Country 2016 monitoring report please visit www.internationalhealthpartnership.net.
