

Key Asks from the UHC Movement

Everyone, everywhere should have access to quality and affordable health services

We call on political leaders to legislate, invest and collaborate with all of society to make UHC a reality.

- 1** Ensure political leadership beyond health
 - 2** Leave no one behind
 - 3** Regulate and legislate
 - 4** Uphold quality of care
 - 5** Invest more, invest better
 - 6** Move together
-  **Gender equality and women's and girls' rights as foundational principles for UHC.**
